Calfhood Vaccination Practiced in Both Herds
Pickens Herd Accredited

INVITATION

You are most cordially invited to attend this partial dispersion sale of the Wieland and Pickens Herds. We will do our best to offer worthwhile cattle that are regular breeders with good standard blood lines. These are the cattle that year after year will be profitable producers.

In the Clarksdale Herd I have used Sni-A-Bar Golden Ensign by Cruggleton's Aspiration, Commander's Renown by Commander's Count. Clarksdale Archer by Sni-A-Bar Golden Ensign. McBeth Marshall Hero and Hickories Arcade by Imp. Millhills Faddist.

McBeth Marshall Hero was Grand Champion at Bowling Green, Missouri the year that I bought him, and has proved quite an outstanding sire. Commander's Renown also proved a good sire, much better than the average. These calves sired by both the present herd bulls are short-legged, smooth and good colored.

Every cow in this herd had a healthy calf but one and she lost her calf along in the winter. I have practiced calfhood vaccination for about sixteen years and have never had a case of Bangs disease on the farm. These cattle run out in the open most of the year and I have been very free of any kind of disease.

TERMS AND CONDITIONS

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consigner from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off but the management will help in loading in compliance with instructions from the purchaser.

GUARANTEE—We have never had a case of Bangs disease on this farm. Every animal in this sale has been vaccinated except the little calves, but we will test these cattle before the sale and give you a health certificate on them. Fourteen yearling heifers will be sold and it is likely some of them might not be cleared from the vaccination, in that case we will inform you. As this a Partial Dispersion sale further guarantee will not be made.

We will not be responsible for accidents that may occur but will take every precaution to provide for the safety and comfort of those who attend.

The above terms shall constitute a contract between the consigner and purchaser of each lot. Neither the manager nor clerk of the sale assumes any liability, legal or otherwise.

Vern Pickens herd is accredited.

VERN PICKENS CONSIGNMENT

Mr. Pickens and Son have used a group of very good bulls. The following bulls were used with great success by them: Pickens Fancy Rosewood by Col. F.; Imp. Balnoon Dronach; Aberfeldy Noonsuch; and Wilsona Upright.

Balnoon Dronach proved a very good sire and left some very fine heifers in the herd of Mr. Pickens. The Aberfeldy bull was equally as good and the Upright bull also proved very good. Most of the young calves are by him and their Mother's are out of Noonsuch and Dronach.

These cattle have been well fleshed and good colored and in general the right kind. Most of the cows are rebred to Upright. The Pickens' have practiced calfhood vaccination and are accredited.

Balnoon Dronach was the grand champion at the Illinois State showing sale the year that Mr. Pickens bought him. Aberfeldy Noonsuch was first prize winner at Toronto, Canada in the Canadian National show.
